

## Mercure Budapest Korona

*Capacity: 424 rooms*

The four-star Budapest Korona Hotel is located opposite the Hungarian National Museum and a short walk from the River Danube. Access by public transport couldn't be simpler, the entrance to the Kálvin tér subway station is right outside the main entrance to the Mercure Budapest Korona. Business functions, meetings, conferences and events can be held in nine conference rooms, some of which can be combined. The largest of these rooms has capacity for up to 120 guests.
