

InterContinental Budapest

Capacity: 402 rooms

The Budapest InterContinental is famous for hosting many of the largest and most prominent events in the city. Organisers can choose from 12 meeting rooms with a total of 1,869 square metres of floor space managed by 14 Sales and Meeting Professionals on site. The largest ballroom and conference suite offers a “reception-style” environment for 900 guests, while the smallest “boardroom style” room can accommodate ten people. All rooms are equipped with conference facilities continuously updated to keep up with latest technologies.
