

Boscolo New York Palace

Capacity: 112 rooms

The Boscolo New York Palace Budapest unites the 19th and 21st centuries in harmony and brings the feudal luxury of the Hungary's founding fathers to today's management aristocrats. The modern business centre with seven bookable conference and event rooms for a maximum of 120 guests provides services around the clock for meetings, seminars and incentive travel. The Boscolo New York Palace is also able to promise a host of wellness services thanks to its refurbished Turkish bath and breathtakingly designed swimming pool.
