

## Hilton Budapest

*Capacity: 322 rooms*

The windows of the Budapest Hilton open onto a sensational panorama of the cultural heritage sites of the Danube and the Hungarian parliament building. History and modernity in one, the five-star hotel is attached to a restored Dominican cloister dating back to the 13<sup>th</sup> century, while offering business guests 21 freely configurable entertainment and conference suites equipped with the latest business IT infrastructure. As the largest room in the Budapest Hilton, the Ballroom has space for up to 650 guests. Gala dinners for 200 people under the open air of the cloister courtyard are always a particularly popular with clients.
